# WELCOME ABOUT US

## MERCAN AUTOMATION AND POWER SYSTEMS MAKINA ENGINEER-ING INDUSTRY TRADE LIMITED COMPANY

It has been serving since 2017 with its experienced staff and experience from the past to the present to provide automation solutions at Industry 4.0 level.

It serves with its experienced engineers in Electrical-Electronics, Design, Software and Mechatronics. At the same time, it offers turnkey projects and quality solutions with its expert technical assembly teams. Mercan Automation, which has the principle of honest and quality service, will gladly continue to support you in your domestic and international projects.

## MERCAN OTOMASYON VE GÜÇ SİSTEMLERİ MAKİNA MÜHENDİSLİK SANAYİ TİCARET LİMİTED ŞİRKETİ

Endüstri 4.0 seviyesinde otomasyon çözümleri sunmak amacıyla, geçmişten bu günlere gelen deneyimli kadrosu ve tecrübesiyle 2017'den bu güne hizmet vermektedir.

Elektrik-Elektronik, Tasarım, Yazılım ve Mekatronik konularında deneyimli mühendisleri ile hizmet vermektedir. Aynı zamanda uzman teknik montaj ekipleri ile anahtar teslim projeler ve kaliteli çözümler sunmaktadır. Dürüst ve kaliteli hizmet ilkesine sahip olan Mercan Otomasyon, yurt içi ve yurt dışı projelerinizde sizlere destek olmaya memnuniyetle devam edecektir.
